

*Dear Pastors & Youth Leaders,*

The **Associational Winter Youth Retreat** is just around the corner on **January 15-17, 2010**. Our theme this year is **"HD Resolution."** Our youth will be led to focus on being **real in relationships, radically different** than the world and **reflective** on what God has done to change their lives. **Steve Pilarsh** (*Youth Pastor of Monroe Missionary Baptist Church, MI*) will be our Camp Pastor for the retreat while worship will be led by the **Oakland Woods Worship Band**.

You will need to get your registration information and deposits to **Oakland Baptist Association** no later than the **deposit deadline** of **December 30, 2010**. We want all of your youth to come, but we must make all arrangements immediately after the first of the year. Please don't miss this deadline.

The total cost of the retreat this year is **ONLY \$74.00** per person. This cost includes everything for every participant (*a t-shirt, housing, meals, materials & program costs*). In order for us to keep the \$74.00 price, we will need to fill up all of the non-lodge housing before putting people in lodge rooms. Everyone will also be responsible for providing their own linens, towels and wash clothes.

**NOTE:** Please be aware, there will be **no meal** served on Friday evening or for Sunday lunch.

By **December 30, 2009**, a camp deposit of **\$37.00 per person** must be sent to **Oakland Baptist Association** (64 W Columbia Ave., Pontiac, MI 48340, 248.338.6370) along with your reservation information (housing request & sign up sheet listing each person attending). Each church will need to provide their first and second choices for lodging. The remainder of the per person cost (**\$37.00**) will be collected by BAMBILAKE when you arrive at camp on Friday night.

For clarity: **Deposit Checks** will be made out and mailed to **Oakland Baptist Association**.  
The **Balance Check** will be made out to **BSCM** and paid when you arrive at Bambi Lake.

We are praying for a great movement of God at this year's retreat. Pray with us that there will be a tremendous work of God among our youth.
